booking.

1. Tech Stack (Summary)

Layer	Technology	Purpose
Frontend	React + Vite	Fast, modern UI; easy to maintain and scale
Hosting	Netlify	Reliable hosting, simple deploys, optional serverless
Payments	Stripe	Field Guide (\$20) + mentoring session payments (your existing account)
Scheduling	Calendly	1:1 mentoring booking (your existing account)
Email	Mailchimp or ConvertKit	Newsletter, delivery emails, list building (you choose)
Meetings	Google Meet	Mentoring & workshops (you connect to Calendly)
Domain / DNS	GoDaddy	Existing registrar; DNS pointed at Netlify

All integrations use your existing Stripe and Calendly setups. No Squarespace or WordPress — custom build only.

2. Pages (Summary)

Page	Summary
Home	Hero ("Your Military Career Is Ending. Your Life Mission Isn't."), who it's for, your story, Field Guide + mentoring CTAs, workshop promo, email signup
Field Guide	Product description, what they learn, table of contents, \$20 buy button → Stripe → PDF delivery by email
Mentoring	1:1 session overview (60 min), what's included, "Schedule Your Session" → Calendly (+ Stripe)
Workshops	Workshop topics and value, "Register for a Workshop" CTA (Google Meet)

Page	Summary
About	Your bio (Coast Guard, 20+ years), mission, roles (Educator, Realtor, Field Guide creator)
Contact	Simple contact form + your contact info (email, phone, tagline)
Disclaimer	Legal disclaimer (educational only; not a VSO/attorney; direct to VA accredited reps)

Navigation: Home · Field Guide · Mentoring · Workshops · Rate My VSO (outbound link to RateMyVSO.com) · Contact

VA verification link (accredited reps) in footer or relevant section; email capture for newsletter/announcements.

3. Out of Scope (Quote 1)

- **RateMyVSO.com** — Separate platform (reviews, directory, etc.); can be quoted as Phase 2.
- **Content creation** — You provide copy, photos, and Field Guide PDF; implementation and layout are in scope.
- **Ongoing hosting/domain** — Your existing GoDaddy/Netlify (or similar) costs; not included in dev fee.

4. Cost of Development (Quote 1)

Item	Description	Amount
Discovery & scope	Aligning on structure, pages, and integrations (already done)	\$0
Design	Layout, navigation, branding (navy, black, white, gold), responsive	\$150
Build – core site	React + Vite build: Home, About, Field Guide, Mentoring, Workshops, Contact, Disclaimer	\$100
Integrations	Stripe checkout + PDF delivery; Calendly embed/link; email capture (Mailchimp or ConvertKit); VA link	\$100
Content & QA	Dropping in your copy/images, testing flows, mobile check	\$0
Launch	DNS, go-live, basic handoff	\$0

Item	Description	Amount
Total (primary site)		\$350

5. What You Provide (Quote 1)

- Field Guide PDF and cover image
- Professional photos and any workshop imagery
- Final website copy (or we use the README as a draft)
- Access to GoDaddy (DNS), Stripe, Calendly, and chosen email tool
- Brand colors and any logo assets

6. Next Steps (Quote 1)

1. Approve quote and confirm payment terms.
2. You provide assets and access (GoDaddy, Stripe, Calendly, email).
3. Kick off design, then build and integrations.
4. Content load, QA, and launch.

Part B — Ryan Buckingham Coaching

May 2026 · Site redesign & new Stripe / Calendly integrations

1. Tech Stack (Summary)

Layer	Technology	Purpose
Frontend	React + Vite	Fast, modern UI; easy to maintain and scale
Hosting	Netlify	Reliable hosting, simple deploys
Payments	Stripe	\$40/month membership via Payment Link (VITE_STRIPE_MONTHLY_SUBSCRIPTION_LINK); optional fallback one-time link if set
Scheduling	Calendly	Discovery calls via VITE_CALENDLY_MENTORING_LINK (e.g. 30 min URL)

Layer	Technology	Purpose
Contact / newsletter	Formspree	Contact form + Home “Weekly Coaching Insights” signup (VITE_FORMSPREE_CONTACT_ID, VITE_FORMSPREE_NEWSLETTER_ID)
Email marketing	Mailchimp or ConvertKit	Optional; not required for core flows
Meetings	Google Meet	Via Calendly
Domain / DNS	GoDaddy or current registrar	DNS pointed at Netlify

Custom build. Stripe + Calendly + Formspree use your accounts and env-configured URLs.

2. Pages & navigation (current site — matches codebase)

Routes: / · /about · /coaching · /results · /contact · /disclaimer

Page	Route	Summary (as implemented)
Home	/	Branded hero (Ryan Buckingham Coaching), positioning copy; CTAs Book a Discovery Call (Calendly) and Join — \$40/month (Stripe); monthly membership band (weekly check-ins, plan, guidance, community); focus pillars; Meet Ryan + client promise; social proof placeholders; Ready to Start; Weekly Coaching Insights (Formspree)
About	/about	Coaching-focused bio; CTAs to contact / discovery
Coaching	/coaching	\$40/mo membership package, Subscribe (Stripe) + discovery (Calendly), onboarding note for community
Results	/results	Outcomes / testimonial placeholders; CTA
Contact	/contact	Formspree form; coach line; email & phone
Disclaimer	/disclaimer	Coaching disclaimer (not therapy / legal / financial advice)

Primary navigation: Home · About · Coaching · Results · Resources (coming soon) · Contact · Disclaimer

Legacy redirects: /field-guide & /mentoring → /coaching · /workshops → /results

3. Out of Scope (Quote 2)

- **Standalone community product** — Building Circle/Discord/custom portal unless separately quoted; on-site membership messaging is in scope.
- **Copywriting** — You provide final marketing copy where possible; layout implementation is in scope.
- **Ongoing vendor fees** — Stripe, Calendly, hosting, domain — your accounts.
- **Separate products** (e.g. RateMyVSO) — Not included.

4. Cost of Development (Quote 2)

Full redesign for life coaching, plus new Stripe subscription (\$40/mo Payment Link) and new Calendly discovery URL across the site and environments.

Item	Description	Amount
Design & UX	Visual refresh, layout, responsive behavior, nav/footer rebrand	\$45
Build — coaching site	Pages/routes, legacy URL redirects, CTAs and membership messaging	\$45
Stripe — subscription integration	\$40/mo recurring product & Payment Link; wire to site; test/live guidance	\$30
Calendly — scheduling integration	New discovery URL site-wide; env + hosting configuration	\$15
QA & handoff	Checkout + booking checks, mobile pass, Netlify/env notes	\$15
Total (this phase)		\$150

5. What You Provide (Quote 2)

- Stripe access to create \$40/month recurring price and Payment Link
- Final Calendly booking URL(s)

- Formspree (or equivalent) for contact + newsletter if needed — VITE_FORMSPREE_CONTACT_ID, VITE_FORMSPREE_NEWSLETTER_ID
- Hero copy, testimonials when ready, photos
- Hosting (Netlify) access for production environment variables
- Domain/DNS access if changes are needed

6. Next Steps (Quote 2)

1. Approve this quote and confirm payment terms.
2. Confirm Stripe Payment Link and Calendly URLs for production.
3. Set environment variables locally and on Netlify.
4. Final content pass, QA, and launch.
